**Student A**

During your stay at an American university, you are asked to prepare a short speech introducing language and cultural diversities so typical for the member states of the European Union. Explain the roles of language and culture in the European context and try to make it as interesting as possible.

**S P E A K I N G – R O L E P L A Y**

**Teacher**

You teach a student from Slovakia, whom you addressed to present language and cultural diversity in the European Union. You know that there are some differences between the approach of particular countries, for example, in education, in the use of languages in real-life contexts, and support of ethnic cultures.

Look at the pictures related to people enjoying their experiences. Discuss all the pictures, focusing on:

- probable reasons for choosing such an experience
- advantages and disadvantages of being involved in such activities
- your attitude to Oscar Wilde's quotation 'Experience is simply the name we give to our mistakes' in relation to the events shown in the pictures

(Please read once.)

You will hear horoscopes for twelve signs of the zodiac. Match each horoscope with a sign of the zodiac. Two horoscopes are not used. You will score 0.5 points for each one. You will hear the text only once.

**Aries**

Follow your heart, trust your intuition, and do not allow others to influence you in a negative way. Only you know what is right for you.

**Taurus**

The company you keep influences your actions. This is a good time to review your friendships and social circle.

**Gemini**

You may find yourself pulled in different directions this week. Think carefully about your priorities and focus on them.

**Cancer**

You may be experiencing a variety of feelings which can awaken the creativity inside you. Writing, art, music, cooking, nature, and animals will soothe you.

**Leo**

You may be making changes to your home or living situation. Don't hang on to unnecessary clutter – make way for the new.

**Virgo**

Financially, this can be a positive time if you are realistic about your goals. Many new opportunities are waiting!

**Libra**

Accept the things you cannot change and put your energy into the things you can. You will feel empowered and productive.

**Scorpio**

This is a wonderful time for learning, studying, teaching, and researching. Valuable information can come to you, if you make the effort.

**Sagittarius**

Your physical health and wellbeing may require more attention. The key is to find balance and not go to extremes.

**Capricorn**

You are about to reap the rewards of your hard work. Keep going, stay optimistic, and your creative streak will help you produce the results you are seeking.

**Aquarius**

The spotlight is on relationships. Use your intuition to guide you as to when to back off or when to address important issues.

**Pisces**

You may be facing challenges but you've got the power to overcome and emerge better than ever. You're stronger than you realise.
